It offers an honest, intimate, and thrilling look at everything involved in opening a once-in-a-generation production—the triumphs, breakthroughs and doubts, the camaraderie of the rehearsal room and the moments of quiet backstage contemplation—as well as a fascinating, in-depth exploration of now-iconic songs and moments from the musical, as seen from the inside. It is also deeply personal, as Terera reflects on experiences from his own life that he drew on to help shape his acclaimed portrayal. Illustrated with photographs, many of which are shared here for the first time, and featuring an exclusive Foreword by Lin-Manuel Miranda, this book is an essential read for all fans of Hamilton—offering fresh, first-hand insights into the music and characters they love and know so well—as well as for aspiring and current performers, students, and anyone who wants to discover what it really felt like to be in the room where it happened. This is a gentle and tender story of finding yourself, finding new friends and finding your voice. It’s for anyone who has a song hidden within them.’ Younger Sun There’s a hill out the back of Joey’s house. Hardly anyone goes there—it’s not a beautiful place, just a covered-over old rubbish tip. But Joey likes it up there. It’s his hill—somewhere he likes to go to wonder about life. He longs to be the best at something, to be a famous astronaut, or mountain climber, to stand out. When Joey discovers a tree house in an old peppercorn tree on the hill, he is annoyed that someone has invaded his special place. But he is also curious about who the intruder could be. But making contact isn’t easy. The tree-house girl is wild and hostile and full of secrets—Joey needs to work out a way to win her over. And as he does, he finds a way to shine. Marsh and Me is a story about friendship and trust and learning to believe in yourself and what makes you special. Martine Murray’s beautifully rounded characters, with all their self-doubts, yearnings and wise insights, will delight readers young and old. Martine Murray was born in Melbourne, and now lives in Castlemaine. Her most recent novel, Molly and Pim and the Millions of Stars, was shortlisted for the 2016 CBCA Award for Younger Readers. ‘This is a story of an unlikely friendship, a common theme in children’s books, but one that feels refreshing due to how nice these children are. Martine Murray captures sadness without wallowing in it... Joey and Marsh’s story is both reassuring and encouraging for children aged eight and up.’ Books + Publishing ‘A cute and quirky middle-grade novel about imagination, unlikely friendships and music.’ Paper Fury ‘Marsh and Me is a stirring coming-of-age story with a wonderful main character. Murray is a master of telling gentle stories, exploring the small worries and victories of daily life, revealing magic in the mundane.’ Readings ‘The novel’s strength is in its ability to offer insights into the music and characters they love and know so well—as well as for aspiring and current performers, students, and anyone who wants to discover what it really felt like to be in the room where it happened. This is a gentle and tender story of finding yourself, finding new friends and finding your voice. It’s for anyone who has a song hidden within them.’
girl from Serbia is revealed. Joey is the sort of boy we would all be proud of. Together they make convincing and interesting characters in a story for those sensitive primary school readers who are prepared to think about what they would do in the circumstances Murray creates. This is a touching story of two children finding each other.” Reading Time Educational resource for teachers, parents and kids! Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was researching a story about settled gypsies in 1995, and I wanted to meet one of them, George, who was living in Hollywood. I went to the Formosa Cafe, and when I didn’t see George, I tuned a teaser ad for the TV show. By the time I got back, I had to refuse. Even though Christmas is her busiest time of year she has her own sweetheart, and she refuses to propose to the woman he loves in her little hideaway. How can he escape his worries? When he gets dressed, when he wants to play

Language Disorder, there are very few tools available to help people understand and live with a diagnosis of DLD. DLD and Me is a functional, engaging resource for children and young people with DLD and the professionals and families who work with them. The book consists of an easy-to-follow, 12-week programme designed to help children and young people understand their strengths, what makes them different, what DLD is and how they can support their own communication in everyday life. Key features include: clearly worded session plans for therapists or education staff to follow; engaging visual resources to accompany the session plans, each available as a reproducible home sheet; sheets to keep families involved and informed; information sheets and training plans for parents and education staff; outcome measures to evaluate progress. This invaluable tool has been designed to be used by Speech and Language Therapists, teachers and other professionals or parents working with children and young people with DLD. A gloriously romantic novel about fame, friendship and finding love that will have you on the edge of your seat. #2 I had the city because of the bad air, but I was also escaping the atmosphere of boundless possibility. I had always felt that L. A. was a place to experiment and shed the past, but now it felt like it was bedrock. #3 I was so afraid of the women in Manson’s group, who seemed normal, that I couldn’t bring myself to read. #4 I was also afraid of Charles Manson, who had achieved almost mythical status in the country. #4 The enduring power of the Manson myth stems not only from his involvement in the murders, but from his ability to destroy the humanity of seemingly normal young people who killed at his command. In a memoir by turns moving, tragic, and hilarious, Jerry Lewis recounts with crystal clarity every step of his fifty-year friendship with Dean Martin. They were the unlikeliest of pairs—a handsome crooner and a skinny monkey, an Italian from Steubenville, Ohio, and a Jew from Newark, N.J. Before they teamed up, Dean Martin seemed destined for a mediocre career as a nightclub singer, and Jerry Lewis was dressing up as Carmen Miranda and mincing records on stage. But the moment they got together, something clicked—something miraculous—and audiences saw it at once. Before long, they were as big as Elvis or the Beatles would be after them, creating hysteria wherever they went and grabbing an unprecedented hold over every entertainment outlet of the era: radio, television, movies, stage shows, and nightclubs.

Hollywood domination or starting alt-metal psychodelica crossover bands. Sam knows he'll never belong, even if he wanted to The first in a series of young fiction by Jenny Valentine, winner of the Guardian Children's Fiction Prize for her debut novel, Finding Violet Park. Blake Taylor's mother first suspected he had ADHD when he, at only three years of age, tried to push his infant sister in her carrier off the kitchen table. As time went by, Blake developed a reputation for being hyperactive and impulsive. He launched rockets (accidentally) into neighbor's swimming pools and set off alarms in museums. Blake was diagnosed formally with ADHD when he was five years old. In ADHD and Me, he tells about the next twelve years as he learns to live with both the good and bad sides of life with ADHD. Fliss's mum needs peace and quiet to recuperate from a long illness, so they both move to the countryside to live with Margot, Fliss's stern and bullying grandmother. Life on the farm is tough and life at school is even tougher, so when Fliss unearths Margot's wartime diary, she sees an opportunity to get her own back. But Fliss soon discovers Margot's life during the evacuation was full of adventure, mystery... and even passion. What's more, she learns a terrible secret that has the whole family apart... 'Glorious!' CLARE POOLEY 'Compelling' SUNDAY EXPRESS 'Beautiful, uplifting and deeply moving' FREYA SAMPSON From the Sunday Times bestselling author of Saving Missy A mother. A daughter. A secret waiting to be uncovered. The very first picture book from the winner of The Great British Bake Off and national treasure, Nadiya Hussain, beautifully illustrated by Ella Bailey. A touching story about a little boy whose worry monster follows him everywhere he goes. It's there when he gets dressed, when he wants to play with his toys, and even when his friends come over to visit. How can he escape his worries? Having suffered with panic disorder herself for as long as she can remember, Nadiya wrote this
heartfelt story to help give children and parents the tools they need to talk about worries and anxiety, to ensure that no child suffers in silence. In this evocative work of what the author in his afterword calls “a kind of novelistic memoir,” Jay Parini takes us back fifty years, when he fled the United States for Scotland—in flight from the Vietnam War and desperately in search of his adult life there. Through, unlike circumstances, he meets the famed Argentinian author Jorge Luis Borges. Borges—visiting his translator in Scotland—is in his seventies, blind and frail. When Borges hears that Parini owns a 1957 Morris Minor, he declares a long-held wish to visit the Highlands, where he hopes to meet the young author. It is in this spirit that he is interested in Anglo-Saxon riddles. As they travel, stopping at various sites of historical interest, the charmingly garrulous Borges takes Parini on a grand tour of Western literature and ideas, while promising to teach him about love and poetry. As Borges’s idiosyncratic world of labyrinths, mirrors, and doubles shimmers into being, their escapades take a surreal turn. Borges and Me is a classic road novel, based on travelogues and the wondrously neurotic dog who taught them what really matters in life. John and Jenny were young and deeply in love, with a perfect little house and not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley quickly grew into an uncontrollable 44-kilogram steamroller of a Labrador retriever. Expelled from obedience school, even the tranquilisers prescribed by the vet couldn’t stop him. Yet through the chaos and the hilarity he won hearts and remained a steadfast model of devotion to his family, even when they were at their wits’ end. Unconditional love, they would learn, comes in many forms. If you love Marley & Me, don’t miss The Longest Trip Home, John Grogan’s warm and moving memoir about the power of family and love. PRAISE for Marley & Me: “Mr. Grogan knew the workings of Marley’s mind. He makes that abundantly clear in Marley and Me, a very funny valentine to all those four-legged ‘big, dopey, playful galumphs that legged “big, dopey, playful galumphs that...” It’s a book with intense but warm and moving memoir about the power of love at Howard University; travels to the First World War, and of a man who was one of the most brilliant and misunderstood artists of his generation. It is her most beautiful and masterful work. I met Fred first. Fred: Hot. Enigmatic. Alex’s first friend in her lonely new town. Maybe her first...everything. I met Adina the following Monday. Adina: Fred’s twin sister. Cold. Troubled. Trouble. I kissed him. She pressed her mouth to my mouth. People warn Alex to steer clear of the twins, but Alex is drawn to them. She wants to be part of their crazy world...no matter the consequences. Nine-year-old Meena can’t wait to grow up and break free from her parents. But, as the daughter of the only Punjabi family in the mining village of Tollington, her struggle for independence is different from most. Moving, engaging and unforgettable, Calum Best’s astonishing memoir reveals the emotional story of his relationship with his father, soccer legend George Best. But Mac isn’t a detective, he’s the architect Mac is what the locals call him when they whisper about him in the inn. And whisper they...new. A bee flies in the window of the high-rise flat where she lives and a little girl is frightened. She traps the bee and then wonders what to do. This beautiful wordless picture book traces the growing friendship between
girl and bee and introduces small children to the ecology of the natural world. Highlighting the plight of the disappearing bumble bee, it shows how some simple actions can help restore beauty and balance in our environment. With a list of bee-friendly seeds to plant and ways to protect bees at home. When I looked up, I shivered. How many stars were in the sky? A million? A billion? Maybe the number was as big as infinity. I started to feel very, very small. How could I even think about something as big as infinity? Uma can’t help feeling small when she peers up at the night sky. She begins to wonder about infinity. Is infinity a number that grows forever? Is it an endless racetrack? Could infinity be in an ice cream cone? Uma soon finds that the ways to think about this big idea may just be . . . infinite. Nurturing our true selves, acknowledging when our ego is in control, and accepting God’s love enables us to be lovingly caring of others. This is a challenge for adults to master in a material world—but even harder for children. In My Loving Self and Me, author C. Beth Hoffman offers a collection of stories and poems that helps children understand this concept, and it gives them a jump start on their own spiritual path. The stories feature a brother and sister, Ike and Gabby, and their cousins as they encounter a variety of life experiences, such as dealing with hurt feelings, bullying, and fear. They better understand the ideas of gratitude, integrity, respect for nature, and more by finding answers through their loving connection with God. The stories presented in My Loving Self and Me demonstrate through Ike and Gabby’s open conversations with their parents, grandparents and each other, how important communication is. Reading this book with your children, listening to what they have to say, and discussing these and other topics that may arise, provides a forum for the open communication that is so valuable between parent and child. Lou Bertignac has an IQ of 160 and a good friend called Lucas, who gets her through the school day. At home her father cries in secret in the bathroom and her mother hasn’t been out of the house properly for years. But Lou is about to change her life - and that of her parents - for good, all because of a school project she decides to do about the homeless. Through the project Lou meets No, a teenage girl living on the streets. As their friendship grows, Lou cannot bear that No is still on the streets when she goes back home - even if it is to a home that is saddened and desolate. So she asks her parents if No can come to live with them. To her astonishment, her parents - eventually - agree. No’s presence forces Lou and her parents to finally face the sadness that has enveloped them. But No has disruptive as well as positive effects. Can this shaky newfound family continue to live together? A tense, brilliant novel tackling the true meaning of home and homelessness. A unique, tender and witty memoir of surviving the tough streets of small town Scotland during the Thatcher years.
