

# Child and Adolescent Mental Health Research Collaboration Event

**Wednesday 29th May 2019**  
**10:00 - 16:00**  
**Girton College, Cambridge**

Join us for the CRN Eastern's fourth  
Child and Adolescent Mental Health Research  
Collaboration Event

This meeting will be an opportunity for you to network with colleagues across the Eastern region who are interested in child and adolescent research. The day will feature talks from the NIHR CLAHRC EoE\*, the University of Cambridge and Trust clinicians who are actively leading on NIHR studies.

The meeting will be hosted by Dr Emma Weisblatt, Child and Adolescent Psychiatrist and Dr Annie Swanepoel, the CRN Eastern Child and Youth Champion.

Refreshments will be available from 09:30 and lunch will be served.  
This event is free and will give you 4 CPD points
